Dear Summit Families,

Welcome to the second half of the school year! I continue to be amazed as to how fast our school year is progressing, as well as the many great accomplishments your children are making. From the adoption of the new language arts series to the school-wide rise in ERB scores, Summit continues to advance towards academic excellence. We thank you for your support and assistance in our mission, and we will look forward to many more celebrations in this spring semester.

Progress Reports for the 2nd quarter are included in today's green folder. The mid year is an excellent time to discuss concerns and performance goals for the remainder of the year. I will encourage everyone to please attend the scheduled conference time with the homeroom teachers/advisors this Wednesday. As always, if I can be of any assistance, please feel free to contact me here at school.

Have a great week, and we will all look forward to a fantastic finish to the year.

Take care,

Dr. Jack Talmadge
Director

Help reach Summit's Box Top Goal!

We need EVERY student to bring in 12 Box Tops so that the school can reach the 2500 Box Top goal. If we collect 2500 Box Tops, the entire student body wins a free dress day. The base camp that collects the most Box Tops wins a popcorn party. Summit already collected \$906.00 from Box Tops, let's see if we can go for \$1,000.00 this time !

All Box Tops and Labels for Education are due Friday, February 17.

We would like to remind everyone to please link your Ingles Advantage Card to Summit Charter School. When you shop at Ingles, Summit earns money, it's as easy as that. You can link your card by going to www.ingles-markets.com/toolsforschools or by sending the 12 digit number on the back of your card to Kspillz@frontier.com Be sure to include ALL 12 numbers.

For the third year Kindergarten encouraged the Nickels For Napkins project, promoting reading, trash free lunches and the virtue of compassion. For books read, nickels are collected to purchase napkins made by women in Tanzania, and the money is then donated to the less fortunate natives of Tanzania. Again, the napkins sold out. At this time we are not expecting to receive any more napkins, but we do encourage you to keep on reading ! Thanks again for helping to make a difference.
