January 7, 2025

Dear Summit Family,

Happy new year! We're thrilled to welcome back our students and commence the second-half of the school year at Summit! Before the break, I shared with you some of the many successes of our students in the first semester--from their academic achievements in the classroom to the growth they've accomplished through their many experiences beyond. We are incredibly proud of our students, and look to build on these successes in continuing to challenge and encourage them to reach high standards of excellence each day. In this second semester, we will maintain our focus on upholding high standards and building our students' sense of self-efficacy, ownership, and responsibility as learners and members of our community. Additionally, we will deepen our focus on our students' development as readers and writers, with emphasis on the daily practice of each and explicit instruction and feedback in building these vital lifelong habits and skills. We appreciate your partnership and support.

Finally, this Friday at Roundup we will be recognizing our All-A Honor Roll for the 2nd academic quarter. We welcome all families and community members to join us at 8:30 AM in the courtyard as we celebrate our students' academic achievements.

Thank you for your support of Summit!

With gratitude,
Kurt
